2009 Christmas Season

We are Fraser Fir growers in Avery County, NC who sponsor a fund raising opportunity for groups like yours using cut Christmas trees, fresh wreaths and roping. Please visit our new web site at www.gandstrees.com to gain a feel for our company and the experiences of our customers. And of course you are welcome to visit the farm to see the trees we are shipping this year.

We have provided Fraser Firs, wreaths and roping to the Home Shopping Network, Drugstore.com as well as mass merchandisers and retail lots since the early 1980's. Many of our customers have been with us for over 20 years. We have the expertise and the product you need to build a successful fund raising program for this year and the years to come.

The program consists of 6 simple steps. It works as follows:

1. We email you a list of six items with their cost and a suggested retail;
2. We email you an order form with pictures for those items;
3. You send out the order forms, collect the orders and the payments, tabulate the orders and send the counts to us with a 25% deposit prior to September 30, 2009;
4. Starting November 15th, we harvest the trees, make the wreaths and ship them to you on a day you select between November 28 and December 6th ;
5. We deliver your order on the day agreed upon. You pay us the 75% balance, unload the order and marshal the product;
6. You schedule a pick up day with your parents and they come collect their pre paid trees, wreaths and roping.

This is a great fund raiser for a private school. Most of your families will decorate for Christmas and you can provide them with high quality product at a competitive price that they will appreciate during the entire holiday season.

You can arrange to pick up from our lot or we will assist you in arranging delivery to your school. Trucking rates vary depending on the distance from our fields to your school. Please call us and we will provide you with a free estimate.

If you are interested in this program, please call Rex Renfrow at (770) 969-8446 and we will tailor a program to fit your needs. We look forward to working with you this year and in the years to come.

Sincerely yours,

Christmas Tree Enterprises
